

Classrooms for Malawi Afternoon Tea Fundraiser 20/8/25  
St Columbkille's Hall Rutherglen Scotland

It was an afternoon full of chat, fun, laughter and dancing! Many wonderful comments were heard about the sandwiches, scones, cakes and sausage rolls provided by Erin and Susan.

All money raised will go towards providing a textile and design classroom at Nansomba Secondary as well as providing each girl with a reusable sanitary kit. Mable and her team from Mango Days for Girls will educate the girls on women's health and will equip the boys to support menstruation, eliminating the stigma that is often attached to it.

The girls will also be trained on how to make their own pads making the project sustainable.

Full details and lovely pictures of the event can be seen in our August 2025 Newsletter.
